PUBLICATIONS OF THE UNIVERSITY LIBRARY OF PÉCS VOL. 16.

A PÉCSI EGYETEMI KÖNYVTÁR KIADVÁNYAI 16.

The University of Pécs celebrated the 650th anniversary of the foundation of the medieval university in 2017. With the support of the *University of Pécs 650 Jubilee* tender, an international conference was organised on 12–13 October 2017 at the Bishopric of Pécs. 21 experts from Austria, the Czech Republic, Poland, Romania, Switzerland, Slovakia, and many Hungarian university history researchers have presented their research results from the Middle Ages to the present day. The University Library of Pécs and Centre for Learning in close cooperation with the University of Pécs Faculty of Humanities Institute of History Department of Medieval and Early Modern History and the University of Pécs Archives organized a successful international conference presenting the latest scientific achievements of Hungarian and European higher education history research. This volume contains the lectures of the conference, as the 16th volume of *Publications of the University Library of Pécs* series.
